

Even vehicles easily rented through shared mobility services have rules and requirements for users.

Know the rules before you ride!

For example...

**Street Go-karts
(Minicars/Microcars)**

Electric Scooters

<p>Vehicle Classification under the Road Traffic Act</p>	<p>Standard motor vehicles</p>	<p>① (Exceptional) Specified small motorized bicycles OR ② Motorized bicycles, etc.</p>
<p>Requirements for Users</p>	<p>Standard motor vehicle license* required <small>(*International Driving Permit (IDP) valid only if issued by a country that has ratified the 1949 Geneva Convention on Road Traffic.)</small></p>	<p>① License not required for (exceptional) specified small motorized bicycles. However, riding under the age of 16 is prohibited ② License required for motorized bicycles, etc.</p>
<p>Resources on Traffic Rules</p>	<p>Follow traffic laws and regulations that apply to the vehicle's classification! **</p>	
	<p>{National Police Agency: Leaflet / Links} {Tokyo Metropolitan Police Department: Links}</p>	<p>{Tokyo Metropolitan Government: Leaflet}</p>

**Traffic violations are punishable under the law.

For instance, riding under the influence of alcohol is punishable by up to 5 years in prison or a fine of up to 1,000,000 yen.
